

The Boys Are Back in Town (NCC 2025)

Guess who just got back today
Them wild eyed boys that had been away.
Hadn't changed, hadn't much to say,
But man, I still think them cats are crazy.

They were asking if you were around,
How you was, - where you could be found.
I told them you were living down town,
Driving all the old men crazy.

The boys are back in town
I said the boys are back in town
The boys are back in town
The boys are back in town

You know that girl who used to dance a lot
Ev'ry night she'd be on the floor showin' what she'd got
Man, when I tell you she was cool she was so cool
I mean she was dreamy.

And that time over at Johnny's place
Well this girl got up and kissed Johnny's face
Man, we just fell about the place
If that girl don't wanna know forget her.

The boys are back in town

Spread the word around
Guess who's back in town
Just spread the word around
Friday night they'll be dressed to kill
Down at Dino's bar and grill
The drink will flow and the cups will fill
And if the boys wanna play you'd better let them
That juke box in the corner blasting out my fav'rite song
The nights are getting warmer it won't be long,
Won't be long 'til summer comes
Now that the boys are back in town

The boys are back in town
The boys are back (Whispered)

The boys are back in town again
Been hanging down at Dino's
The boys are back in town

My Sarah (NCC 2025)

When you came in my life you changed my world
My Sarah
Everything seemed so right my baby girl
My Sarah

You are all I want to know,
You hold my heart so don't let go,
You are all I need to live
My love to you I'll give.

When you begin to smile, you change my style
My Sarah
When I look in your eyes I see my prize
(My) Sarah

You are all I want to know,
You hold my heart so don't let go,
You are all I need to live
My love to you I'll give
You are all I want to know
Oh my Sarah
Don't let go, oh no my Sarah.

You are all I want to know
You hold my heart so don't let go
You are all I need to live
My love to you I'll always give

You are all I want to know
You hold my heart so don't let go
You are all I want to know
Oh my Sarah.
