Loch Lomond

By yon bonnie banks, and by yon bonnie braes
Where the sun shines bright on Loch Lomond
Where me and my true love will ever want to go
On the bonnie, bonnie banks o' Loch Lomond.

Oh ye'll take the high road and I'll take the low
And I'll be in Scotland afore ye.
But me and my true love will never meet again
On the bonnie, bonnie banks o' Loch Lomond.

T'was there that we parted in yon shady glen
On the steep, steep side o' Ben Lomond,
And in purple hue the Highland hills we view
And the moon coming out in the gloamin'.

Oh ye'll take the high road and I'll take the low
And I'll be in Scotland afore ye.
But me and my true love will never meet again
On the bonnie, bonnie banks
The bonnie, bonnie banks
On the bonnie, bonnie banks o' Loch Lomond,
Loch Lomond,
Loch Lomond.

There we parted.

Steep side o' Ben Lomond.

And in purple hue, the Highland hills we view

And the moon coming out in the gloamin'.

Oh ye'll take the high road

Imagine

Imagine there's no heaven,
It's easy if you try.
No hell below us,
Above us only sky.

Imagine all the people
Living for today, ah, ah
Imagine there's no countries,
It isn't hard to do.
Nothing to kill or die for,
And no religion too.

(Oo) Imagine all the people
Living life in peace, you ooh
You may say I'm a dreamer,
But I'm not the only one.
I hope some day you'll join us,
And the world will live as one.

(Oo) Imagine no possessions
(Oo) I wonder if you can
(Oo) No need for greed or hunger
(Oo) Our brotherhood of man

(Ah) Imagine all the people
Living life in peace, you ooh

You may say I'm a dreamer,
But I'm not the only one.
I hope some day you'll join us,
And the world will live as one.

Sing Gently

May we sing together always,

May our voice be soft.

May our singing be music

and may it keep others aloft.

May our singing be music for others
and may it keep others aloft.

Sing, sing gently, always.

Sing, sing as one, one.

May we stand together always

(May we stand always)

May our voice be strong

(Be strong)

Always

Be strong

May we hear the singing and may we always sing along.

Sing, sing gently, always.

Sing, sing as one, as one,

one, one, one, one

Sing gently as one.

One, one

Sing gently as one

Fields of Gold

Oo.....

You'll remember me when the west wind moves

Upon the fields of barley.

You'll forget the sun in his jealous sky

As we walk in fields of gold.

So she took her love for to gaze a while

Up on the fields of barley

In his arms she fell as her hair came down

Among the fields of gold.

Will you stay with me, will you be my love

Among the fields of barley?

We'll forget the sun in his jealous sky

As we lie in fields of gold.

I never made promises lightly

And there have been some that I've broken,

But I swear in the days still left

We'll walk in fields of gold.

We will walk in fields of gold.

Ooh....

Many years have passed since those summer days

Among the fields of barley.

See the children run as the sun goes down

Among the fields of gold.

I never made promises lightly

And there have been some that I've broken,

But I swear in the days still left

We'll walk in fields of gold.

We will walk in fields of gold.

You'll remember me when the west wind moves

Upon the fields of barley.

You can tell the sun in his jealous sky

When we walked in fields of gold

When we walked in fields of gold (walked in fields of gold)

Glorious

There are times when
You might feel aimless
You can't see the places
Where you belong.

But you will find that
There is a purpose
It's been there within you
All along.

And when you're near it
You can almost – hear it
It's like a symphony
Just keep listening
And pretty soon you'll start
To figure out your part.

Ev'ry one plays a piece
And there are melodies
In each one of us.
Oh, it's glorious.

And you will know how

To let it ring out

As you discover

Who you are.

Others around you
Will start to wake up
To the sounds that are
In their hearts.

It's so amazing
What we're all creating,

It's like a symphony
Just keep listening
And pretty soon you'll start
To figure out your part.

Ev'ry one plays a piece
And there are melodies
In each one of us.
Oh, it's glorious.

Oh, and as you feel, the notes build
Oh, you will see

It's like a symphony
Just keep listening
And pretty soon you'll start
To figure out your part.

Ev'ry one plays a piece

And there are melodies

In each one of us.

Oh, it's glorious.

Oh, it's glorious.

Storm

Hear in the distance a rumbling roar

Gathering on the horizon.

Towering nimbus preparing to pour

Gathering on the horizon.

Winds blow, shaking the elements

Clouds roll over the sky.

Rains flow, washing the Earth as the storm rages on the horizon.

Through the night, flashing in sight,

Running and racing, the storm takes flight.

Through the night, flashing in sight,

Dashing and crashing till morning light.

Thunder *pat, pat, pat*

Pat, pat, pat, pat, pat, pat

Lightning *clap*

Clap, clap

Thunder *pat, pat, pat*

Pat, pat, pat, pat, pat, pat

Strike with power.

Thunder *pat, pat, pat*

Pat, pat, pat, pat, pat, pat

Lightning *clap*

Clap, clap

Thunder *pat, pat, pat*

Pat, pat, pat, pat, pat, pat

Comes the storm.

Restless, and relentless,

Comes the tempest

In a galloping fury

Restless, and relentless,

Comes the tempest

In a galloping fury

Restless, and relentless,

Comes the tempest

In a galloping fury

Restless, and relentless,

Comes the tempest

In a galloping fury

Hear in the distance a rumbling roar

Gathering on the horizon

Towering nimbus preparing to pour

Gathering on the horizon.

Winds blow, shaking the elements

Clouds roll, over the sky

Rains flow, washing the Earth as the storm rages on the horizon.

(all along the horizon).

Through the night, flashing in sight,

Running and racing, the storm takes flight.

Through the night, flashing in sight,

Dashing and crashing till morning light.

Thunder *pat, pat, pat*

Pat, pat, pat, pat, pat, pat

You Raise Me Up

When I am down and oh, my soul's so weary,

When troubles come, and my heart burdened be,

Then I am still and wait here, in the silence

Until you come, and sit awhile with me.

You raise me up so I can stand on mountains,

You raise me up, to walk on stormy seas,

I am strong when I am on your shoulders

(strong when I am on your shoulders)

You raise me up, to more than I can be.

There is no life, no life without its hunger

Each restless heart, beats so imperfectly.

But when you come and I am filled with wonder

Sometimes I think, I glimpse eternity.

You raise me up so I can stand on mountains,

You raise me up, to walk on stormy seas,

I am strong when I am on your shoulders

(strong when I am on your shoulders)

You raise me up, to more than I can be.

(Repeat chorus X 2)

You raise me up, to more than I can be.

Look at the World

Look at the world, everything all around us

Look at the world, and marvel every day

Look at the world, so many joys and wonders

So many miracles along our way.

Praise to thee O Lord for all creation,

Give us thankful hearts that we may see

All the gifts we share and every blessing,

All things, come of thee.

Look at the earth, bringing forth fruit and flower

Look at the sky, the sunshine and the rain;

Look at the hills, look at the trees and mountains,

Valley and flowing river, field and plain.

Praise to thee O Lord for all creation,

Give us thankful hearts that we may see

All the gifts we share and every blessing,

All things, come of thee.

Think of the spring, think of the warmth of summer

Bringing the harvest before the winter's cold.

Ev'ry thing grows, ev'ry thing has a season,

Till it is gathered to the Father's fold.

Praise to thee O Lord for all creation,

Give us thankful hearts that we may see
All the gifts we share and every blessing,
All things, come of thee.

Ev'ry good gift, all that we need and cherish
Comes from the Lord in token of his love;
We are his hands, stewards of all his bounty
His is the earth, and his the heav'ns above.

Praise to thee O Lord for all creation,
Give us thankful hearts that we may see
All the gifts we share and every blessing,
All things, come of thee.
All things, come of thee.

A Million Dreams

I close my eyes and I can see
A world that's waiting up, for me
That I call my own.

Through the dark, through the door
Through where no one's been before
But it feels like home.

They can say, they can say it all sounds crazy.
They can say, they can say I've lost my mind.
I don't care, I don't care, so call me crazy.
We can live in a world that we design.

'Cause ev'ry night I lie in bed
The brightest colours fill my head
A million dreams are keepin' me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take.
Oh a million dreams for the world we're gonna make.

There's a house we can build
Ev'ry room inside is filled
With things from far away.
Special things I compile
Each one there to make you smile

On a rainy day.

They can say, they can say it all sounds crazy.

They can say, they can say we've lost our minds.

I don't care, I don't care if they call us crazy.

Run away to a world that we design.

Ev'ry night I lie in bed

The brightest colours fill my head

A million dreams are keepin' me awake

I think of what the world could be

A vision of the one I see

A million dreams is all it's gonna take.

Oh a million dreams for the world we're gonna make.

However big, however small

Let me be part of it all

Share your dreams with me.

You may be right, you may be wrong

But say that you'll bring me along

To the world you see

To the world I close my eyes to see

I close my eyes to see.

'Cause ev'ry night I lie in bed

The brightest colours fill my head

A million dreams are keepin' me awake

(a million dreams, a million dreams)

I think of what the world could be

A vision of the one I see.

A million dreams is all it's gonna take.

A million dreams for the world we're gonna make.

For the world we're gonna make.

In-gon-ya-ma ne gwe na-ma-ba-la (X8 before Sops start)

From the day we arrive on the planet

And blinking step into the sun.

There's more to see

Than can ever be seen

More to do, than can ever be done.

There is far too much to take in here

More to find, than can ever be found.

But the sun rollin' high

Through the sapphire sky

Keeps great and small on the endless round.

It's the circle of life

(Ahhh)

And it moves us all

Through despair and hope

(Ahhh)

Through faith and love.

Till we find our place

(Ahhh)

On the path unwinding

In the circle,

(Ahhh)

The circle of life.

Some of us fall by the wayside

In-gon-ya-ma ne gwe na-ma-ba-la..

And some of us soar to the stars

And some of us sail through our troubles

And some have to live with the scars.

There is far too much to take in here

More to find than can ever be found

But the sun rollin' high

Through the sapphire sky

Keeps great and small on the endless round.

It's the circle of life

(Ahhh)

And it moves us all

Through despair and hope

(Ahhh)

Through faith and love.

Till we find our place

(Ahhh)

On the path unwinding

In the circle,

(Ahhh)

The circle of life.

There's a calm surrender to the rush of day

When the heat of a rolling world

Can be turned away.

And enchanted moment and it sees me through.

(Oo..)

It's enough for this restless warrior just to be with you.

(Oo) (Ah)

And can you feel the love tonight (Tonight)

It is where we are.

It's enough for this wide eyed wanderer that we got this far.

And can you feel the love tonight (Tonight)

How it's laid to rest?

It's enough to make kings and vagabonds believe the very best.

Proclaim the Story

Proclaim, proclaim the story,
The news of Him who came that he might die,
Make known to all his glory,
Lift up his name on high.

He comes to reign forever more,
Come kneel, adore, bow down in awe,
Lift up your hearts and worship
Christ whom God has crowned as king.

Sing out, sing out, hosanna,
Rejoice and greet the king of kings,
Lift high his royal banner,
Lift up your voice and sing.
